Dear Senator Sanders: Carl Blumenauer
Representative Chellie Pingree

Thank you for your letter of October 26, 2011 requesting an inquiry into the State Department's handling of the Environmental Impact Statement and National Interest Determination for TransCanada Corporation's proposed Keystone XL pipeline. I am responding on behalf of Deputy Inspector General Harold W. Geisel, who is on official travel until November 3, 2011.

Representative Tim Ryan

We want you, and those who joined in your letter, to know that the Office of Inspector General is reviewing this matter to determine an appropriate course of action to address your concerns.

Please do not hesitate to contact me at (202) 663-0361 or Tom Burgess, our legislative liaison, at (202) 663-0380 if you have any further questions or concerns.

Sincerely,

Robert B. Peterson
Assistant Inspector General for Inspections

The Honorable
Bernard Sanders
United States Senate.
