March 31, 2014

The Office of Senator Bernie Sanders
Ms. Gretchen Bailey
1 Church St, Burlington, VT 05401

Dear Ms. Bailey,

I am delighted to inform you that you have been selected as the 2014 recipient of the Greater Boston Federal Executive Board's *Congressman John Joseph Moakley Award for Exemplary Public Service*. The Moakley Award has been presented annually since 2002 and is the highlight of our local celebration of Public Service Recognition week.

Each year, this award is presented to an individual in recognition of outstanding accomplishments and achievements as a staff member of the New England Congressional delegation in the name of Congressman Moakley.

This year, you are being recognized for your longstanding commitment to public service, including your work with the Vermont Commission on Women, expediting critical cases with various Federal Agencies, and numerous other social issues you are deeply involved with.

This Award will be presented at the Excellence in Government Awards ceremony, beginning at 10:00 am on Wednesday, May 7, 2014 at the John F. Kennedy Library and Museum in Boston. The Award will be the highlight of an event in which we will also honor the Senator Paul E. Tsongas Award winner, the Speaker Thomas P. O'Neill, Jr. Award winner, and out-standing achievement among the local Federal workforce. We hope that you will be our guest for the ceremony.

Congratulations, and thank you for your public service and hard work.

Sincerely,

Kimberly E. Ainsworth
Executive Director
