In awarding amounts appropriated under this section, the Secretary shall prioritize awards related to increasing access to dental and behavioral health services.”.

(e) STRATEGIC PLAN TO IMPROVE HEALTH OUTCOMES THROUGH NUTRITION.—

(1) IN GENERAL.—Not later than one year after the date of enactment of this Act, the Secretary of Health and Human Services, in consultation with the Secretary of Agriculture, shall submit to the Committee on Health, Education, Labor, and Pensions of the Senate and the Committee on Energy and Commerce of the House of Representatives a 5-year strategic plan to improve health outcomes through nutrition for low-income and uninsured patient populations with severe, complex chronic conditions and one or more diet-related conditions.
(2) REPORT.—In carrying out paragraph (1), the Secretary of Health and Human Services shall—

(A) conduct an evaluation of previous and current federally-funded efforts of the Department of Health and Human Services to improve patient outcomes through nutrition interventions, such as medically-tailored meals and nutrition counseling; and

(B) include in the strategic report recommendations for—

(i) reducing the financial impact of obesity and preventable chronic conditions resulting from obesity;

(ii) empowering federally-funded community health centers, rural health clinics, and other relevant federally-funded facilities to provide produce prescriptions, medically-tailored groceries, and medically-tailored meals;

(iii) promoting long-term adoption of improved nutrition habits, including through increased culinary education and consumer nutrition aligned with the most recent Dietary Guidelines for Americans published under section 301 of the Na-
tional Nutrition Monitoring and Related Research Act of 1990 (7 U.S.C. 5341) and incorporating behavioral modeling or other novel methods across Federal programs;

(iv) developing performance and quality metrics related to the delivery of produce prescriptions, medically-tailored groceries, and medically-tailored meals across relevant Federal payers to aid in reimbursement strategies;

(v) developing payment models for novel obesity care therapies for the treatment of diabetes that include behavioral and nutritional and dietary services and education;

(vi) improving coordination of care and integrating nutrition services and resources within federally-funded community health centers, rural health clinics, and other federally-funded primary care facilities;

(vii) bolstering partnerships with State and local governments and non-governmental organizations; and
(viii) addressing geographic disparities in access to nutrition services and resources.

(f) REQUIRED PRIMARY HEALTH SERVICES.—

(1) IN GENERAL.—Section 330 of the Public Health Service Act (42 U.S.C. 254b) is amended—

(A) in subsection (b)(1)(A)—

(i) in clause (i)—

(I) in subclause (IV), by striking “; and” and inserting a semicolon;

(II) in subclause (V), by adding “and” after the semicolon; and

(III) by adding at the end the following:

“(VI) appropriate nutritional and dietary services;”;

(ii) in clause (ii), by inserting “and nutrition services” after “mental health services”; and

(iii) in clause (iii), by inserting “nutritional,” after “educational,”; and

(B) in subsection (d)(1)(A), by inserting “or one or more diet-related conditions” before the semicolon.
(2) Waiver Authority.—Section 330(e)(4) of the Public Health Service Act (42 U.S.C. 254b(e)(4)) is amended—

(A) by striking “Not more than” and inserting the following:

“(A) IN GENERAL.—Except as provided in subparagraph (B), not more than”; and

(B) by adding at the end the following:

“(B) EXCEPTION.—For the 2-year period beginning on the date of enactment of the Bipartisan Primary Care and Health Workforce Act, the Secretary may make more than 2 grants under subparagraph (B) of paragraph (1) for the same entity if the basis for the failure of the entity to meet all of the requirements under subsection (k)(3) relates only to a failure to provide the services described in subclause (VI) of subsection (B)(1)(A)(i).”.

(g) Increase the Use of Provider Tools to Improve Health Outcomes.—Not later than one year after the date of enactment of this Act, the Secretary of Health and Human Services, in coordination with the Secretary of Agriculture, shall submit to Congress a report that includes—
(1) recommendations for States to support the coordination of federally-funded nutrition programs and services provided by health care professionals in community health centers; and

(2) data on the number of individuals enrolled in federally-subsidized health insurance coverage who are also enrolled in or eligible for federally-subsidized nutrition and food programs.

(h) OIG REPORT.—Not later than 2 years after the date of enactment of this Act, the Inspector General of the Department of Health and Human Services shall submit to Congress a report on integrity efforts of the Health Resources and Services Administration with respect to programs carried out by the Health Resources and Services Administration. Such report shall include an assessment of—

(1) the ways in which the Administrator of the Health Resources and Services Administration (referred to in this subsection as the “Administrator”) determines reasonable efforts are continuously made to establish and maintain collaborative relationships with health care providers;

(2) the ways in which the Administrator ensures quality and continuity of care for underserved areas; and
(3) the extent to which the Administrator validates the financial responsibility of and use of grant funding by community health centers.

SEC. 103. NATIONAL HEALTH SERVICE CORPS.

Section 10503(b)(2) of the Patient Protection and Affordable Care Act (42 U.S.C. 254b–2(b)(2)) is amended—

(1) in subparagraph (G), by striking ‘‘; and’’ and inserting a semicolon;

(2) in subparagraph (H), by striking the period and inserting ‘‘; and’’; and

(3) by adding at the end the following:

‘‘(I) $950,000,000 for each of fiscal years 2024 through 2026.’’.

SEC. 104. GAO REPORT.

(a) IN GENERAL.—Not later than one year after the date of enactment of this Act, the Comptroller General of the United States shall submit to the Committee on Health, Education, Labor, and Pensions of the Senate and the Committee on Energy and Commerce of the House of Representatives a report assessing the effectiveness of the National Health Service Corps (referred to in this section as the ‘‘NHSC’’) at attracting health care professionals to health professional shortage areas designated under section 332 of the Public Health Service Act (42
such as by—

(1) assessing the metrics used by the Health Resources and Services Administration in evaluating the program;

(2) comparing the retention rates of NHSC participants in the HPSAs where they completed their period of obligated service to the retention rate of non-NHSC participants in the corresponding HPSAs;

(3) comparing the retention rates of NHSC participants in the HPSAs where they completed their period of obligated service to the retention rates of NHSC participants in HPSAs other than those where they completed their period of obligated service;

(4) identifying factors that influence a NHSC participant’s decision to practice in a HPSA other than the HPSA where they completed their period of obligated service;

(5) identifying factors other than participation in the National Health Service Corps Scholarship and Loan Repayment Programs that attract health care professionals to a HPSA;
18  
(6) assessing the impact the National Health  
Service Corps has on wages for health care profes-  
sionals in a HPSA; and  

(7) comparing the distribution of NHSC par-  
ticipants across HPSAs, including a comparison of  
rural versus non-rural HPSAs.  

(b) DEFINITION.—In this section, the term “NHSC  
participant” means a National Health Service Corps mem-  
ber participating in the National Health Service Corps  
Scholarship or Loan Repayment Program under subpart  
III of part D of title III of the Public Health Service Act  
(42 U.S.C. 254l et seq.).

SEC. 105. APPLICATION OF PROVISIONS.

(a) IN GENERAL.—Amounts appropriated pursuant  
to the amendments made by this title shall be subject to  
the requirements contained in Public Law 117-328 for  
funds for programs authorized under sections 330 through  
340 of the Public Health Service Act (42 U.S.C. 254b  
through 256).

(b) CONFORMING AMENDMENT.—Paragraph (4) of  
section 3014(h) of title 18, United States Code, “and sec-  
tion 301(d) of division BB of the Consolidated Appropria-  
tions Act, 2021.” and inserting “section 301(d) of division  
BB of the Consolidated Appropriations Act, 2021, and

Section 747 of the Public Health Service Act (42 U.S.C. 293k), as amended by section 202, is further amended—

(1) by redesignating subsection (c) as subsection (d); and

(2) by inserting after subsection (b) the following:

“(c) EXPANDING THE NUMBER OF PRIMARY CARE DOCTORS.—

“(1) IN GENERAL.—The Secretary shall award grants to eligible medical schools described in paragraph (2) for the purpose of graduating more physicians who will practice a primary care discipline. Funds awarded under this subsection may be used for costs associated with faculty, construction and capital improvements, clinical support, research support, student supports, and any other costs, as determined by the Secretary.
“(2) ELIGIBILITY.—To be eligible to receive a grant under this subsection, a medical school shall—

“(A) be a nonprofit school of medicine or osteopathic medicine that is accredited by a nationally recognized accrediting agency or association; and

“(B) demonstrate in the grant application of the medical school—

“(i) that not less than 33 percent of graduates from the medical school enter primary care (as defined in this section) and are, as of the date of the application, practicing primary care, as calculated by dividing—

“(I) the number of physicians who graduated during such time period as is specified by the Secretary who are practicing primary care; by

“(II) the total number of physicians who graduated during such time period; and

“(ii) a plan to expand the number of graduates of the medical school who are practicing primary care; and
“(iii) a commitment to use grant funds to supplement, not supplant, such school’s investment in primary care medical education.

“(3) Expanding the number of minority primary care doctors.—Of the amounts appropriated under paragraph (6)(C), the Secretary shall award not less than 20 percent to eligible medical schools described in paragraph (2) that are historically Black colleges and universities (as defined by the term ‘part B institution’ in section 322 of the Higher Education Act of 1965 (20 U.S.C. 1061) or described in section 326(e)(1) of such Act (20 U.S.C. 1063b(e)(1))) or other minority-serving institutions (as described in section 371(a) of the Higher Education Act of 1965 (20 U.S.C. 1067q(a))).

“(4) Grant amounts; geographic distribution.—

“(A) Grant amounts.—The Secretary shall determine the amount of each grant awarded under this section, which shall be based on the scope of the plan submitted by the medical school under paragraph (2)(B)(ii), and other appropriate factors.
“(B) Geographic distribution.—In awarding grants under this subsection, the Secretary shall ensure, to the greatest extent practicable, that such grants are equitably distributed among the geographic regions of the United States.

“(5) Primary care.—In this subsection, the term ‘primary care’ means health care services related to family medicine, internal medicine, pediatrics, obstetrics, gynecology, geriatrics, or psychiatry.

“(6) Account to address the primary care physician shortage.—

“(A) Establishment of account.—There is established in the Treasury an account, to be known as the ‘Account to Address the Primary Care Physician Shortage’ (referred to in this section as the ‘Account’), for purposes of carrying out this section.

“(B) Transfer of direct spending.—

“(i) In general.—The Secretary of the Treasury shall transfer to the Account $300,000,000 for fiscal year 2024, to remain available until September 30, 2028.

“(ii) Amounts deposited.—Any amounts transferred under clause (i) shall
remain unavailable in the Account until such amounts are appropriated pursuant to subparagraph (C).

“(C) APPROPRIATIONS.—

“(i) AUTHORIZATION OF APPROPRIATIONS.—For fiscal year 2024, there is authorized to be appropriated from the Account to the Secretary of Health and Human Services, for the purpose of carrying out the activities under this section, an amount not to exceed the total amount transferred to the Account under subparagraph (B)(i) to remain available until September 30, 2026.

“(ii) OFFSETTING FUTURE APPROPRIATIONS.—For fiscal year 2024, for any discretionary appropriation under the heading ‘Account to Address the Primary Care Physician Shortage’ provided to the Secretary pursuant to the authorization of appropriations under clause (i) for the purpose of carrying out this subsection, the total amount of such appropriations for the applicable fiscal year (not to exceed the total amount remaining in the Account)
shall be subtracted from the estimate of
discretionary budget authority and the re-
sulting outlays for any estimate under the
Congressional Budget and Impoundment
Control Act of 1974 or the Balanced
Budget and Emergency Deficit Control Act
of 1985, and the amount transferred to the
Account shall be reduced by the same
amount.

“(7) **ANNUAL REPORTS.**—Not later than Octo-
ber 1 of fiscal years 2025 through 2027, the Sec-
retary shall submit to the Committee on Health,
Education, Labor, and Pensions and the Committee
on Appropriations of the Senate and the Committee
on Energy and Commerce and the Committee on
Appropriations of the House of Representatives, a
report including a description of any use of funds
provided pursuant to the authorization of appropria-
tions under paragraph (6)(C).

“(8) **LIMITATIONS.**—Notwithstanding any
transfer authority authorized by this subsection or
any appropriations Act, any funds made available
pursuant to the authorization of appropriations
under paragraph (6)(C) may not be used for any
purpose other than the program established under paragraph (1).

“(9) SUNSET.—This subsection shall expire on September 30, 2026.”.

SEC. 204. TELEHEALTH TECHNOLOGY-ENABLED LEARNING PROGRAM.

Section 330N(k) of the Public Health Service Act (42 U.S.C. 254c–20(k)) is amended by striking “$10,000,000 for each of fiscal years 2022 through 2026” and inserting “$11,000,000 for each of fiscal years 2024 through 2026, to remain available until expended”.

SEC. 205. NURSE EDUCATION, PRACTICE, QUALITY, AND RETENTION GRANTS.

(a) REAUTHORIZATION.—Section 831 of the Public Health Service Act (42 U.S.C. 296p) is amended by adding at the end the following:

“(g) Authorization of Appropriations.—

“(1) In general.—To carry out this section (other than subsection (e)), in addition to amounts made available under section 871(a), there are authorized to be appropriated $59,413,000 for each of fiscal years 2024 through 2026, to remain available until expended.

“(2) Priority use of funds.—In awarding amounts appropriated under paragraph (1), the Sec-
retary shall prioritize awards to eligible entities that are historically Black colleges and universities (as defined by the term ‘part B institution’ in section 322 of the Higher Education Act of 1965 or as described in section 326(e)(1) of such Act), Tribal Colleges and Universitites (as defined in section 316(b) of such Act), Alaska Native-serving institutions and Native Hawaiian-serving institutions (as defined in section 317(b) of such Act), or other minority-serving institutions (as described in section 371(a) of such Act).”.

(b) EXPANDING ASSOCIATE DEGREE NURSING PROGRAMS.—Section 831 of the Public Health Service Act (42 U.S.C. 296p), as amended by subsection (a), is further amended—

(1) by redesignating subsections (e) through (g) as subsections (f) through (h), respectively; and

(2) by inserting after subsection (d) the following:

“(e) SUPPLEMENTAL APPROPRIATIONS EXPANDING ASSOCIATE DEGREE NURSING PROGRAMS.—

“(1) AUTHORIZATION.—The Secretary shall award grants to institutions of higher education (as defined in section 101 of the Higher Education Act of 1965) offering an accredited registered nursing
program at the associate degree level for the purpose of expanding the number of students enrolled in each such program.

“(2) USE OF FUNDS.—A recipient of a grant under this subsection shall use the grant funds to expand the number of students enrolled in the recipient’s accredited registered nursing program, which may include increasing nurse faculty and nurse faculty salaries, expanding the number of qualified preceptors at clinical rotations sites, providing direct support for students, supporting partnerships with health facilities for clinical training, purchasing and training faculty to use distance learning technologies and simulation equipment, capital projects, and other projects determined appropriate by the Secretary.

“(3) DETERMINATION OF NUMBER OF STUDENTS AND APPLICATION.—Each institution of higher education that offers a program described in paragraph (1) that desires to receive a grant under this subsection shall—

“(A) provide documentation from the last 4 academic years, or number of academic year the program has been accredited if less than 4,
individuals that graduated from the nursing degree program with an associate’s degree within 150 percent the expected completion time designated for the program; and

“(B) submit an application to the Secretary at such time, in such manner, and accompanied by such information as the Secretary may require, including the average percent of individuals determined under subparagraph (A).

“(4) DISTRIBUTION OF GRANTS.—In awarding grants under this subsection, the Secretary shall consider geographic distribution of the awards, distribution of awards among urban and rural areas, the range of types and sizes of institutions, and providing a priority to historically Black colleges and universities (as defined by the term ‘part B institution’ in section 322 of the Higher Education Act of 1965 or as described in section 326(e)(1) of such Act), Tribal Colleges and Universities (as defined in section 316(b) of such Act), Alaska Native-serving institutions and Native Hawaiian-serving institutions (as defined in section 317(b) of such Act), or other minority-serving institutions (as described in section 371(a) of such Act).
“(5) DEFINITION.—For purposes of this subsection, the term ‘health facility’ means an Indian health service center, a Native Hawaiian health center, a Federally qualified health center, a rural health clinic, a nursing home, a home health agency, a hospice program, a public health clinic, a State or local department of public health, a skilled nursing facility, or an ambulatory surgical center.

“(6) ACCOUNT TO ADDRESS THE NURSING WORKFORCE SHORTAGE.—

“(A) ESTABLISHMENT OF ACCOUNT.—

There is established in the Treasury an account, to be known as the ‘Account to Address the Nursing Workforce Shortage’ (referred to in this section as the ‘Account’), for purposes of carrying out this subsection, in addition to amounts otherwise made available, including under section 871(a).

“(B) TRANSFER OF DIRECT SPENDING.—

“(i) IN GENERAL.—The Secretary of the Treasury shall transfer to the Account $240,000,000 for each of fiscal years 2024 through 2028, to remain available until September 30, 2028.
“(ii) Amounts deposited.—Any amounts transferred under clause (i) shall remain unavailable in the Account until such amounts are appropriated pursuant to paragraph (3).

“(C) Appropriations.—

“(i) Authorization of Appropriations.—For each of fiscal years 2024 through 2028, there is authorized to be appropriated from the Account to the Secretary of Health and Human Services, for the purpose of carrying out the activities under this subsection, an amount not to exceed the total amount transferred to the Account under paragraph (2)(A) to remain available until September 30, 2028.

“(ii) Offsetting Future Appropriations.—For any of fiscal years 2024 through 2028, for any discretionary appropriation under the heading ‘Account to Address the Nursing Workforce Shortage’ provided to the Secretary pursuant to the authorization of appropriations under clause (i) for the purpose of carrying out this subsection, the total amount of such
appropriations for the applicable fiscal year (not to exceed the total amount remaining in the Account) shall be subtracted from the estimate of discretionary budget authority and the resulting outlays for any estimate under the Congressional Budget and Impoundment Control Act of 1974 or the Balanced Budget and Emergency Deficit Control Act of 1985, and the amount transferred to the Account shall be reduced by the same amount.

“(7) ANNUAL REPORTS.—Not later than October 1 of fiscal years 2025 through 2029, the Secretary shall submit to the Committee on Health, Education, Labor, and Pensions and the Committee on Appropriations of the Senate and the Committee on Energy and Commerce and the Committee on Appropriations of the House of Representatives, a report including a description of any use of funds provided pursuant to the authorization of appropriations under paragraph (6)(C).

“(8) LIMITATIONS.—Notwithstanding any transfer authority authorized by this subsection or any appropriations Act, any funds made available pursuant to the authorization of appropriations
under paragraph (6)(C) may not be used for any purpose other than the program established under paragraph (1).

“(9) SUNSET.—This section shall expire on September 30, 2028.”.

SEC. 206. NURSE FACULTY LOAN PROGRAM.

Section 846A of the Public Health Service Act (42 U.S.C. 297n–1) is amended by adding at the end the following:

“(f) FUNDING.—

“(1) AUTHORIZATION OF APPROPRIATIONS.—

“(A) IN GENERAL.—To carry out this section, in addition to amounts otherwise made available, including under section 871(b) and paragraph (2), there are authorized to be appropriated $28,500,000 for each of fiscal years 2024 through 2026, to remain available until expended.

“(B) PRIORITY USE OF FUNDS.—In awarding amounts appropriated under paragraph (1), the Secretary shall prioritize awards to eligible institutions that are historically Black colleges and universities (as defined by the term ‘part B institution’ in section 322 of the Higher Education Act of 1965 or as de-
scribed in section 326(e)(1) of such Act), Tribal Colleges and Universities (as defined in section 316(b) of such Act), Alaska Native-serving institutions and Native Hawaiian-serving institutions (as defined in section 317(b) of such Act), or other minority-serving institutions (as described in section 371(a) of such Act).

“(2) ACCOUNT TO ADDRESS THE NURSE FACULTY WORKFORCE SHORTAGE.—

“(A) ESTABLISHMENT OF ACCOUNT.—

There is established in the Treasury an account, to be known as the ‘Account to Address the Nurse Faculty Shortage’ (referred to in this section as the ‘Account’), for purposes of carrying out this section in addition to amounts otherwise made available, including under section 871(b) and paragraph (1).

“(B) TRANSFER OF DIRECT SPENDING.—

“(i) IN GENERAL.—The Secretary of the Treasury shall transfer to the Account $57,000,000 for each of fiscal years 2024 through 2026, to remain available until September 30, 2028.

“(ii) AMOUNTS DEPOSITED.—Any amounts transferred under clause (i) shall
remain unavailable in the Account until such amounts are appropriated pursuant to subparagraph (C).

“(C) Appropriations.—

“(i) Authorization of Appropriations.—For each of fiscal years 2024 through 2026, there is authorized to be appropriated from the Account to the Secretary of Health and Human Services, for the purpose of carrying out the activities under this section, an amount not to exceed the total amount transferred to the Account under subparagraph (B)(i) to remain available until September 30, 2026.

“(ii) Offsetting Future Appropriations.—For any of fiscal years 2024 through 2026, for any discretionary appropriation under the heading ‘Account to Address the Nurse Faculty Shortage’ provided to the Secretary pursuant to the authorization of appropriations under clause (i) for the purpose of carrying out this section, the total amount of such appropriations for the applicable fiscal year (not to exceed the total amount remaining in the
Account) shall be subtracted from the estimate of discretionary budget authority and the resulting outlays for any estimate under the Congressional Budget and Impoundment Control Act of 1974 or the Balanced Budget and Emergency Deficit Control Act of 1985, and the amount transferred to the Account shall be reduced by the same amount.

“(3) Annual reports.—Not later than October 1 of fiscal years 2025 through 2027, the Secretary shall submit to the Committee on Health, Education, Labor, and Pensions and the Committee on Appropriations of the Senate and the Committee on Energy and Commerce and the Committee on Appropriations of the House of Representatives, a report including a description of any use of funds provided pursuant to the authorization of appropriations under paragraph (2)(C).

“(4) Limitations.—Notwithstanding any transfer authority authorized by this subsection or any appropriations Act, any funds made available pursuant to the authorization of appropriations under paragraph (3)(C) may not be used for any purpose other than the program under this section.
“(5) SUNSET.—This section shall expire on September 30, 2026.”.

SEC. 207. NURSE FACULTY DEMONSTRATION PROGRAM.

Section 846A of the Public Health Service Act (42 U.S.C. 297n–1) is amended—

(1) in the section heading, by adding “AND NURSE FACULTY DEMONSTRATION PROGRAM” after “LOAN PROGRAM”;

(2) by amending subsection (a) to read as follows:

“(a) IN GENERAL.—To increase the number of qualified nursing faculty, the Secretary, acting through the Administrator of the Health Resources and Services Administration, may—

“(1) enter into an agreement with any accredited school of nursing for the establishment and operation of a student loan fund in accordance with subsection (b); and

“(2) award nurse faculty grants in accordance with subsection (e).”;

(3) in subsection (b)—

(A) by redesignating clauses (A) through (D) of paragraph (2) as clauses (i) through (iv), respectively, and adjusting the margins accordingly;
(B) by redesignating paragraphs (1) through (5) as subparagraphs (A) through (E), respectively, and adjusting the margins accordingly;

(C) in subparagraph (C), by striking “subsection (c)” and inserting “paragraph (2)”;

(D) by striking—“(b) AGREEMENTS—Each agreement entered into under subsection (a) shall—” and inserting the following:

“(b) SCHOOL OF NURSING STUDENT LOAN FUND.—

(4) in subsection (c)—

(A) by striking “subsection (a)” each place it appears and inserting “subsection (a)(1)”;

(B) in paragraph (3), by redesignating subparagraphs (A) and (B) as clauses (i) and (ii), respectively, and adjusting the margins accordingly;

(C) in paragraph (6), by redesignating subparagraphs (A) and (B) as clauses (i) and (ii), respectively, and adjusting the margins accordingly; and

(D) by redesignating paragraphs (1) through (6) as subparagraphs (A) through (F),
respectively, and adjusting the margins accordingly; and

(E) in subparagraph (F)(ii), as so redesignated, by striking “subsection (e)” and inserting “paragraph (4)”;

(5) in subsection (e), by striking “subsection (e)(6)(B)” and inserting “paragraph (2)(F)(ii)”;

(6) by redesignating subsections (c) through (e) as paragraphs (2) through (4), respectively, and adjusting the margins accordingly; and

(7) by adding at the end the following:

“(c) NURSE FACULTY DEMONSTRATION PROGRAM.—

“(1) IN GENERAL.—The Secretary shall establish and carry out a demonstration program described in subsection (a)(2) under which eligible schools of nursing receive a grant for purposes of supplementing the salaries of eligible nursing faculty members to enhance recruitment and retention of nursing faculty members.

“(2) ELIGIBLE ENTITIES.—To be eligible to receive a grant under this subsection, an entity shall—

“(A) be a school of nursing; and

“(B) submit an application to the Secretary, at such time, in such manner, and con-
taining such information as the Secretary may require, including—

“(i)(I) to the extent such information is available to the school of nursing, the salary history of nursing faculty at such school who previously were nurses in clinical practice, for the most recent 3-year period ending on the date of application, adjusted for inflation as appropriate and broken down by credentials, experience, and levels of education of such nurses; or

“(II) if the information described in subclause (I) is not available, information on the average local salary of nurses in clinical practice, adjusted for inflation as appropriate and broken down by credentials, experience, and levels of education of the individual nurses, in accordance with such requirements as the Secretary may specify;

“(ii) an attestation of the average nursing faculty salary at the school of nursing during the most recent 3-year period prior to the date of application, ad-
justed for inflation, as appropriate, broken
down by credentials, experience, and levels
of education of such faculty members;

“(iii) the number of nursing faculty
member vacancies at the entity at the time
of application, and the entity’s projection
of such vacancies over the ensuing 5-year
period; and

“(iv) a description of the entity’s
plans to identify funding sources to
sustainably continue, after the 2-year
grant period, the salary available to the eli-
geble nursing faculty member pursuant to
the program under this subsection during
such grant program and to retain eligible
nursing faculty members after the end of
the grant period.

“(3) AWARDS.—A grant awarded under this
subsection, with respect to supporting eligible nurs-
ing faculty members, shall—

“(A) be awarded to the school of nursing
to supplement the salaries of eligible faculty
members at the school of nursing, annually, for
up to a 2-year period, in an amount equal to,
for each eligible nursing faculty member at the
eligible entity during the grant period, the difference between—

“(i) the average salary of nurses in clinical practice submitted under subclause (I) or (II) of paragraph (2)(B)(i); and

“(ii) the greater of—

“(I) the salary for the eligible nursing faculty member at the school of nursing; or

“(II) the average nursing faculty salary submitted under paragraph (2)(B)(ii) for faculty members with the same or similar credentials and level of education;

“(B) notwithstanding section 803(a), be used in its entirety to supplement the eligible faculty member’s salary; and

“(C) be conditioned upon the school of nursing maintaining, for each year in which the award is made as described in subparagraph (A), a salary for such faculty member at a level that is not less than the greater of the amount under subclause (I) or (II) of subparagraph (A)(ii).
“(4) PRIORITY.—In awarding grants under this subsection, the Secretary shall ensure the equitable geographic distribution of awards, and shall give priority to applications from schools of nursing that demonstrate—

“(A) the greatest need for such grant, which may be based upon the financial circumstances of the school of nursing, eligible nurse faculty members, the planned number of students to be trained or admitted off a wait list;

“(B) training or partnerships to serve vulnerable patient populations, such as through the location or activity of a school in a health professional shortage area (as defined in section 332);

“(C) recruitment and retention of faculty from underrepresented populations; or

“(D) other particular need for such grant, including public institutions of higher education that offer 4-year degrees but at which the predominant degree awarded is an associate degree.

“(5) RULE OF CONSTRUCTION.—Nothing in this subsection precludes a school of nursing or an
eligible nursing faculty member receiving an award under this section from obtaining or receiving any other form of Federal support or funding.

“(6) REPORT.—Not later than 3 years after the date of enactment of the Bipartisan Primary Care and Health Workforce Act, the Secretary shall submit to the Committee on Finance and the Committee on Health, Education, Labor, and Pensions of the Senate and the Committee on Ways and Means and the Committee on Energy and Commerce of the House of Representatives, a report that evaluates the program established under this subsection, including—

“(A) the impact of such program on recruitment and retention rates of nursing faculty, as available, and specifically for each faculty member participating in the program; and

“(B) recommendations and considerations for Congress on continuing the program under this section through the Medicare program under title XVIII of the Social Security Act.

“(7) DEFINITIONS.—In this subsection:

“(A) ELIGIBLE NURSING FACULTY MEMBER.—The term ‘eligible nursing faculty member’ means a nursing faculty member who—
“(i) was hired by a school of nursing within the 2-year period preceding the submission of an application under paragraph (2), or a prospective nursing faculty member;

“(ii) is currently employed at the school of nursing and who demonstrates the need for such support;

“(iii) previously worked as a nurse in clinical practice or as a nurse faculty member at another school of nursing; or

“(iv) may work on a part-time basis as a nursing faculty member, for whom such award amounts described in paragraph (3) shall be prorated relative to the amount of time participating in part-time teaching.

“(B) INFLATION.—The term ‘inflation’ means the Consumer Price Index for all urban consumers (all items; U.S. city average).

“(8) AUTHORIZATION OF APPROPRIATIONS.—To carry out this subsection, there is authorized to be appropriated $15,000,000 for each of fiscal years 2024 and 2025.”
SEC. 208. NURSE CORPS SCHOLARSHIP AND LOAN REPAYMENT PROGRAM.

Section 846 of the Public Health Service Act (42 U.S.C. 297n) is amended by adding at the end the following:

“(j) Authorization of Appropriations.—

“(1) In general.—To carry out this section, in addition to amounts otherwise made available, including under section 871(b), there are authorized to be appropriated $93,600,000 for fiscal year 2024, $94,600,000 for fiscal year 2025, and $95,600,000 for fiscal year 2026, to remain available until expended.

“(2) Priority use of funds.—In awarding amounts appropriated under paragraph (1), the Secretary shall prioritize awards to eligible individuals who are enrolled in, or who received degrees from, institutions that are historically Black colleges and universities (as defined by the term ‘part B institution’ in section 322 of the Higher Education Act of 1965 or as described in section 326(e)(1) of such Act), Tribal Colleges and Universities (as defined in section 316(b) of such Act), Alaska Native-serving institutions and Native Hawaiian-serving institutions (as defined in section 317(b) of such Act), or other
minority-serving institutions (as described in section 371(a) of such Act).”.

Service Act (42 U.S.C. 293k–2) is amended to read as
follows:

“(f) AUTHORIZATION OF APPROPRIATIONS.—

“(1) IN GENERAL.—To carry out this section,
there is authorized to be appropriated $28,500,000
for fiscal year 2026, to remain available until ex-
pended.
“(2) Geographic distribution.—In awarding grants under this section, the Secretary shall ensure, to the greatest extent practicable, that such grants are equitably distributed among the geographical regions of the United States.”.

SEC. 212. ALLIED HEALTH PROFESSIONALS.

(a) Supporting Dual or Concurrent Enrollment in the Allied Health Projects Program.—Section 755(b)(1) of the Public Health Service Act (42 U.S.C. 294e(b)(1)) is amended—

1. in subparagraph (B), by striking “to individuals who have baccalaureate degrees in health-related sciences”;
2. in the flush text at the end of subparagraph (I), by striking “; and” and inserting a semicolon;
3. in subparagraph (J), by striking the period and inserting “; and”;
4. by adding at the end the following:

“(K) those that establish or support a dual or concurrent enrollment program (as defined in section 8101 of the Elementary and Secondary Education Act of 1965) if the dual or concurrent enrollment program—

“(i) provides outreach on allied health careers requiring an industry-recognized
credential, a certificate, or an associate degree, to all high schools served by the local educational agency that is a partner in the partnership offering the dual or concurrent enrollment program;

“(ii) provides information to high school students about the training requirements and expected salary of allied health professions; and

“(iii) provides academic and financial aid counseling to students who participate in the dual or concurrent enrollment program.”.

(b) Supporting Dual or Concurrent Enrollment in the Health Careers Opportunity Program.—Section 739(a)(2) of the Public Health Service Act (42 U.S.C. 293c(a)(2)) is amended—

(1) in subparagraph (H), by striking “and” after the semicolon;

(2) in subparagraph (I), by striking the period at the end and inserting “; and”; and

(3) by adding at the end the following:

“(J) providing academic and financial aid counseling to support participation in a dual or concurrent enrollment program (as defined in
section 8101 of the Elementary and Secondary Education Act of 1965) that leads to an industry-recognized credential, a certificate, or an associate degree in the health professions or academic credits that can be transferred, as indicated through an articulation agreement between 2 or more community colleges or universities, to obtain an industry-recognized credential, a certificate, or a degree in the health professions.”.

(c) Health Care Workforce Innovation Program.—Section 755(b) of the Public Health Service Act (42 U.S.C. 294e(b)(1)) is amended by adding at the end the following:

“(5)(A) Supporting and developing new innovative, community-driven approaches for the education and training of allied health professionals, including those described in subparagraph (F)(i), with an emphasis on expanding the supply of such professionals located in, and meeting the needs of, underserved communities and rural areas. Grants under this paragraph shall be awarded through a new program (referred to as the ‘Health Care Workforce Innovation Program’ or in this paragraph as the ‘Program’).
“(B) To be eligible to receive a grant under the Program an entity shall—

“(i) be a Federally qualified health center (as defined in section 1905(l)(2)(B) of the Social Security Act), a State-level association or other consortium that represents and is comprised of Federally qualified health centers, or a certified rural health clinic that meets the requirements of section 334; and

“(ii) submit to the Secretary an application that, at a minimum, contains—

“(I) a description of the community-driven health care workforce innovation model to be carried out under the grant, including the specific professions to be funded;

“(II) the geographic service area that will be served, including quantitative data showing that such particular area faces a shortage of health professionals and lacks access to health care;

“(III) a description of the benefits provided to each health care professional trained under the proposed model during the education and training phase;
“(IV) a description of the experience that the applicant has in the recruitment, retention, and promotion of the well-being of workers and volunteers;

“(V) a description of how the funding awarded under the Program will supplement rather than supplant existing funding;

“(VI) a description of the scalability and replicability of the community-driven approach to be funded under the Program;

“(VII) a description of the infrastructure, outreach and communication plan and other program support costs required to operationalize the proposed model; and

“(VIII) any other information, as the Secretary determines appropriate.

“(C)(i) An entity shall use amounts received under a grant awarded under the Program to carry out the innovative, community-driven model described in the application under subparagraph (B). Such amounts may be used for launching new or expanding existing innovative health care professional partnerships, including the following specific uses:
“(I) Establishing or expanding a partnership between an eligible entity and 1 or more of high schools, vocational-technical schools, 2-year colleges, area health education centers, and entities with clinical settings for the provision of education and training opportunities not available at the grantee’s facilities.

“(II) Providing education and training programs to improve allied health professionals’ readiness in settings that serve underserved communities and rural areas; encouraging students from underserved and disadvantaged backgrounds and former patients to consider careers in health care, and better reflecting and meeting community needs; providing education and training programs for individuals to work in patient-centered, team-based, community-driven health care models that include integration with other clinical practitioners and training in cultural and linguistic competence; providing pre-apprenticeship and apprenticeship programs for health care technical, support, and entry-level occupations, particularly for those enrolled in dual or concurrent enrollment programs; building a preceptorship training-to-
practice model for medical, behavioral health, oral health, and public health disciplines in an integrated, community-driven setting; providing and expanding internships, career ladders, and development opportunities for health care professionals, including new and existing staff; or investing in training equipment, supplies, and limited renovations or retrofitting of training space needed for grantees to carry out their particular model.

“(ii) Amounts received under a grant awarded under the Program shall not be used to support construction costs or to supplant funding from existing programs that support the applicant’s health workforce.

“(iii) Models funded under the Program shall be for a duration of at least 3 years.

“(D) In awarding grants under the Program, the Secretary may give priority to applicants that will use grant funds to support workforce innovation models that increase the number of individuals from underserved and disadvantaged backgrounds working in such health care professions, improve access to health care (including medical, behavioral health and oral health) in underserved communities, or
demonstrate that the model can be replicated in
other underserved communities and among other un-
derserved populations in a cost-efficient and effective
manner to achieve the purposes of the Program.

“(E) An entity that receives a grant under the
Program shall provide periodic reports to the Sec-
retary detailing the findings and outcomes of the in-
novative, community-driven model carried out under
the grant. Such reports shall contain information in
a manner and at such times as determined appro-
priate by the Secretary.

“(F) In this paragraph:

“(i) The term ‘allied health care profes-
sional’ includes individuals who provide clinical
support services, including medical assistants,
dental assistants, dental hygienists, pharmacy
technicians, physical therapists and health care
interpreters; individuals providing non-clinical
support, such as billing and coding profes-
sionals and health information technology pro-
fessionals; dieticians; medical technologists;
emergency medical technicians; community
health workers; public health personnel; and
peer support workers.
“(ii) The term ‘rural area’ has the meaning given such term by the Administrator of the Health Resources and Services Administration.

“(iii) The term ‘underserved communities’ means areas, population groups, and facilities designated as health professional shortage areas under section 332, medically underserved areas as defined under section 330I(a)), or medically underserved populations as defined under section 330(b)(3).

“(G)(i) There are authorized to be appropriated $100,000,000 for each of fiscal years 2024 through 2026, to carry out this section, to remain available until expended.

“(ii) A grant provided under the Program shall not exceed $2,500,000 for a grant period.”.

SEC. 213. BUDGETARY TREATMENT.

(a) Statutory Paygo Scorecards.—The budgetary effects of section 747(c)(6) of the Public Health Service Act, as amended by section 203, section 831(e)(6) of the Public Health Service Act, as amended by section 205, and section 846A(f)(2) of the Public Health Service Act, as amended by section 206, shall not be entered on either PAYGO scorecard maintained pursuant to section
4(d) of the Statutory Pay As-You-Go Act of 2010 (2 U.S.C. 933(d)).

(b) Senate Paygo Scorecards.—The budgetary effects of section 747(c)(6) of the Public Health Service Act, as amended by section 203, section 831(e)(6) of the Public Health Service Act, as amended by section 205, and section 846A(f)(2) of the Public Health Service Act, as amended by section 206 shall not be entered on any PAYGO scorecard maintained for purposes of section 4106 of H. Con. Res. 71 (115th Congress).

(c) Reservation of Savings.—None of the funds in the Account to Address the Primary Care Physician Shortage (established under section 747(c)(6) of the Public Health Service Act, as amended by section 203), the Account to Address the Nursing Workforce Shortage (established under section 831(e)(6) of the Public Health Service Act, as amended by section 205), or the Account to Address the Nurse Faculty Shortage (established under section 846A(f)(2) of the Public Health Service Act, as amended by section 206) shall be made available except to the extent provided in advance in appropriations Acts, and legislation or an Act that rescinds or reduces amounts in such accounts shall not be estimated as a reduction in direct spending under the Congressional Budget and Im-
poundment Control Act of 1974 or the Balanced Budget

TITLE III—REDUCING HEALTH
CARE COSTS FOR PATIENTS

SEC. 301. BANNING ANTICOMPETITIVE TERMS IN FACILITY
AND INSURANCE CONTRACTS THAT LIMIT AC-
CESS TO HIGHER QUALITY, LOWER COST
CARE.

(a) In General.—

(1) Public health service act.—Section
2799A–9 of the Public Health Service Act (42
U.S.C. 300gg–119) is amended—

(A) by adding at the end the following:

“(b) Protecting Health Plans Network De-
sign Flexibility.—

“(1) In general.—A group health plan or a
health insurance issuer offering group or individual
health insurance coverage shall not enter into an
agreement with a provider, network or association of
providers, or other service provider offering access to
a network of service providers if such agreement, di-
rectly or indirectly—

“(A) restricts the group health plan or
health insurance issuer from—
“(i) directing or steering enrollees to

other health care providers; or

“(ii) offering incentives to encourage

enrollees to utilize specific health care pro-

viders; or

“(B) requires the group health plan or

health insurance issuer to enter into any addi-
tional contract with an affiliate of the provider,
such as an affiliate of the provider, as a condi-
tion of entering into a contract with such pro-

vider;

“(C) requires the group health plan or

health insurance issuer to agree to payment

rates or other terms for any affiliate not party
to the contract of the provider involved; or

“(D) restricts other group health plans or

health insurance issuers not party to the con-
tract from paying a lower rate for items or

services than the contracting plan or issuer
pays for such items or services.

“(2) ADDITIONAL REQUIREMENT FOR SELF-IN-
sured plans.—A self-insured group health plan
shall not enter into an agreement with a provider,

network or association of providers, third-party ad-

ministrator, or other service provider offering access
to a network of providers if such agreement directly
or indirectly requires the group health plan to cer-
tify, attest, or otherwise confirm in writing that the
group health plan is bound by restrictive contracting
terms between the service provider and a third-party
administrator that the group health plan is not
party to, without a disclosure that such terms exist.

“(3) Exception for certain group model
issuers.—Paragraph (1)(A) shall not apply to a
group health plan or health insurance issuer offering
group or individual health insurance coverage with
respect to—

“(A) a health maintenance organization
(as defined in section 2791(b)(3)), if such
health maintenance organization operates pri-
marily through exclusive contracts with multi-
specialty physician groups, nor to any arrange-
ment between such a health maintenance orga-
nization and its affiliates; or

“(B) a value-based network arrangement,
such as an exclusive provider network, account-
able care organization, center of excellence, a
provider sponsored health insurance issuer that
operates primarily through aligned multi-spe-
cialty physician group practices or integrated
health systems, or such other similar network
arrangements as determined by the Secretary
through rulemaking.

“(4) ATTESTATION.—A group health plan or
health insurance issuer offering group or individual
health insurance coverage shall annually submit to,
as applicable, the applicable authority described in
section 2723 or the Secretary of Labor or the Sec-
retary of the Treasury, an attestation that such plan
or issuer is in compliance with the requirements of
this subsection.

“(5) RULE OF CONSTRUCTION.—Nothing in
this subsection shall be construed to limit network
design or cost or quality initiatives by a group health
plan or health insurance issuer, including account-
able care organizations, exclusive provider organiza-
tions, networks that tier providers by cost or quality
or steer enrollees to centers of excellence, or other
pay-for-performance programs.

“(6) COMPLIANCE WITH RESPECT TO ANTI-
TRUST LAWS.—Compliance with this subsection does
not constitute compliance with the antitrust laws, as
defined in subsection (a) of the first section of the
Clayton Act (15 U.S.C. 12(a)).”; and
(B) by redesignating paragraph (5) of subsection (a) as subsection (e), adjusting the margin of such subsection accordingly, and transferring such subsection (e) to appear after subsection (b), as added by subparagraph (A).

(2) EMPLOYEE RETIREMENT INCOME SECURITY ACT OF 1974.—Section 724 of the Employee Retirement Income Security Act of 1974 (29 U.S.C. 1185m) is amended—

(A) by adding at the end the following:

“(b) PROTECTING HEALTH PLANS NETWORK DESIGN FLEXIBILITY.—

“(1) IN GENERAL.—A group health plan or a health insurance issuer offering group health insurance coverage shall not enter into an agreement with a provider, network or association of providers, or other service provider offering access to a network of service providers if such agreement, directly or indirectly—

“(A) restricts the group health plan or health insurance issuer from—

“(i) directing or steering enrollees to other health care providers; or
“(ii) offering incentives to encourage enrollees to utilize specific health care providers; or

“(B) requires the group health plan or health insurance issuer to enter into any additional contract with an affiliate of the provider, such as an affiliate of the provider, as a condition of entering into a contract with such provider;

“(C) requires the group health plan or health insurance issuer to agree to payment rates or other terms for any affiliate not party to the contract of the provider involved; or

“(D) restricts other group health plans or health insurance issuers not party to the contract from paying a lower rate for items or services than the contracting plan or issuer pays for such items or services.

“(2) ADDITIONAL REQUIREMENT FOR SELF-INSURED PLANS.—A self-insured group health plan shall not enter into an agreement with a provider, network or association of providers, third-party administrator, or other service provider offering access to a network of providers if such agreement directly or indirectly requires the group health plan to cer-
tify, attest, or otherwise confirm in writing that the
group health plan is bound by restrictive contracting
terms between the service provider and a third-party
administrator that the group health plan is not
party to, without a disclosure that such terms exist.

“(3) Exception for certain group model
issuers.—Paragraph (1)(A) shall not apply to a
group health plan or health insurance issuer offering
group health insurance coverage with respect to—

“(A) a health maintenance organization
(as defined in section 733(b)(3)), if such health
maintenance organization operates primarily
through exclusive contracts with multi-specialty
physician groups, nor to any arrangement be-
tween such a health maintenance organization
and its affiliates; or

“(B) a value-based network arrangement,
such as an exclusive provider network, account-
able care organization, center of excellence, a
provider sponsored health insurance issuer that
operates primarily through aligned multi-spe-
cialty physician group practices or integrated
health systems, or such other similar network
arrangements as determined by the Secretary
through rulemaking.
“(4) ATTESTATION.—A group health plan or health insurance issuer offering group health insurance coverage shall annually submit to, as applicable, the applicable authority described in section 2723 of the Public Health Service Act or the Secretary of Labor or the Secretary of the Treasury, an attestation that such plan or issuer is in compliance with the requirements of this subsection.

“(5) RULE OF CONSTRUCTION.—Nothing in this subsection shall be construed to limit network design or cost or quality initiatives by a group health plan or health insurance issuer, including accountable care organizations, exclusive provider organizations, networks that tier providers by cost or quality or steer enrollees to centers of excellence, or other pay-for-performance programs.

“(6) COMPLIANCE WITH RESPECT TO ANTITRUST LAWS.—Compliance with this subsection does not constitute compliance with the antitrust laws, as defined in subsection (a) of the first section of the Clayton Act (15 U.S.C. 12(a)).”; and

(B) by redesignating paragraph (4) of subsection (a) as subsection (e), adjusting the margin of such subsection accordingly, and trans-
ferring such subsection (c) to appear after subsection (b), as added by subparagraph (A).

(3) INTERNAL REVENUE CODE OF 1986.—Section 9824 of the Internal Revenue Code of 1986 is amended—

(A) by adding at the end the following:

“(b) PROTECTING HEALTH PLANS NETWORK DESIGN FLEXIBILITY.—

“(1) IN GENERAL.—A group health plan shall not enter into an agreement with a provider, network or association of providers, or other service provider offering access to a network of service providers if such agreement, directly or indirectly—

“(A) restricts the group health plan from—

“(i) directing or steering enrollees to other health care providers; or

“(ii) offering incentives to encourage enrollees to utilize specific health care providers; or

“(B) requires the group health plan to enter into any additional contract with an affiliate of the provider, such as an affiliate of the provider, as a condition of entering into a contract with such provider;
“(C) requires the group health plan to agree to payment rates or other terms for any affiliate not party to the contract of the provider involved; or

“(D) restricts other group health plans not party to the contract from paying a lower rate for items or services than the contracting plan pays for such items or services.

“(2) ADDITIONAL REQUIREMENT FOR SELF-INSURED PLANS.—A self-insured group health plan shall not enter into an agreement with a provider, network or association of providers, third-party administrator, or other service provider offering access to a network of providers if such agreement directly or indirectly requires the group health plan to certify, attest, or otherwise confirm in writing that the group health plan is bound by restrictive contracting terms between the service provider and a third-party administrator that the group health plan is not party to, without a disclosure that such terms exist.

“(3) EXCEPTION FOR CERTAIN GROUP MODEL ISSUERS.—Paragraph (1)(A) shall not apply to a group health plan with respect to—

“(A) a health maintenance organization (as defined in section 9832(b)(3)), if such
health maintenance organization operates primarily through exclusive contracts with multi-specialty physician groups, nor to any arrangement between such a health maintenance organization and its affiliates; or

“(B) a value-based network arrangement, such as an exclusive provider network, accountable care organization, center of excellence, a provider sponsored health insurance issuer that operates primarily through aligned multi-specialty physician group practices or integrated health systems, or such other similar network arrangements as determined by the Secretary through rulemaking.

“(4) ATTESTATION.—A group health plan shall annually submit to, as applicable, the applicable authority described in section 2723 of the Public Health Service Act or the Secretary of Labor or the Secretary of the Treasury, an attestation that such plan is in compliance with the requirements of this subsection.

“(5) RULE OF CONSTRUCTION.—Nothing in this subsection shall be construed to limit network design or cost or quality initiatives by a group health plan, including accountable care organizations, ex-
exclusive provider organizations, networks that tier
providers by cost or quality or steer enrollees to cen-
ters of excellence, or other pay-for-performance pro-
grams.

“(6) COMPLIANCE WITH RESPECT TO ANTI-
TRUST LAWS.—Compliance with this subsection does
not constitute compliance with the antitrust laws, as
defined in subsection (a) of the first section of the
Clayton Act (15 U.S.C. 12(a)).”; and

(B) by redesignating paragraph (4) of sub-
section (a) as subsection (c), adjusting the mar-
gin of such subsection accordingly, and trans-
ferring such subsection (c) to appear after sub-
section (b), as added by subparagraph (A).

(b) REGULATIONS.—Not later than 1 year after the
date of enactment of this Act, the Secretary of Health and
Human Services, the Secretary of Labor, and the Sec-
retary of the Treasury, jointly, shall promulgate regula-
tions to carry out section 2799A–9(b) of the Public Health
Service Act, section 724(b) of the Employee Retirement
Income Security Act of 1974, and section 9824(b) of the
Internal Revenue Code of 1986, as added by subsection
(a).

(c) EFFECTIVE DATE.—Subsection (b) of section
2799A–9 of the Public Health Service Act, subsection (b)
of section 724 of the Employee Retirement Income Security Act of 1974, and subsection (b) of section 9824 of
the Internal Revenue Code of 1986 (as added by paragraphs (1), (2), and (3), respectively, of subsection (a))
shall apply with respect to any contract entered into on or after the date that is 18 months after the date of enact-
ment of this Act. With respect to an applicable contract that is in effect on the date of enactment of this Act, such
subsection (b) shall apply on the earlier of the date of re-
newal of such contract or 3 years after such date of enact-
ment.

302(b), is further amended by adding at the end the fol-
lowing:

"SEC. 2799B–11. BANNING FACILITY FEES FOR CERTAIN
SERVICES.

“(a) IN GENERAL.—A health care provider or facility
may not, with respect to applicable items and services fur-
nished to an individual, on or after January 1, 2026,
charge a facility fee (regardless of how the fee is labeled)
with respect to items and services so furnished, group
health plans, health insurance issuers offering group or
individual health insurance coverage, or patients enrolled
in such a plan or coverage or who are not covered by any
health plan.

“(b) APPLICABLE ITEMS AND SERVICES.—In this
section, the term ‘applicable items and services’ means—

“(1) evaluation and management services pro-
vided in-person, other than services billed using
Healthcare Common Procedure Coding System
(HCPCS) codes 99281, 99282, 99283, 99284, and
99285 (as identified as of January 1, 2023) or any
substantially equivalent HCPCS codes subsequently
identified by the Secretary) that are furnished by a
dedicated emergency department (as defined in sec-
tion 489.24(b) of title 42, Code of Federal Regula-
tions (or successor regulations)); and
